JANUARY 2026

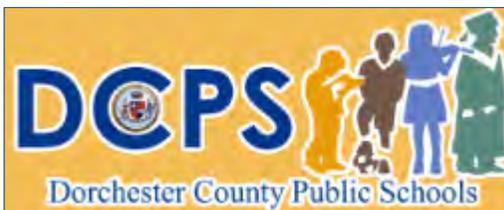

FOSTERING THE NEXT GENERATION

The donations from Club members made at the Christmas dinner have been distributed to the Easton High School and the Dorchester Career & Technical Center. Here is a photo of the Bay Country Region's presentation of \$400 to the Easton High School Automotive Tech program. Ned Nabb, Charles Emery and Craig Duerling went there on Friday, January 23rd to make the presentation. Next to President Nabb, and holding the check, is the principal of Easton High School, Dr. Lisa Devaric. The program's teacher, Christopher Stewart, is second from right, in the grey and black jacket.

Talbot County Public Schools

The students pictured here were in the first-year class. They were very appreciative.

A similar check was delivered to the Dorchester Career & Technical Center and also was appreciated. The school will be ordering diagnostic equipment with those funds.
