CELEBRATING OUR 40TH ANNIVERSARY

The 40th Anniversary party was a considerable success, despite the rain. Charlotte and Danny were kind to agree to host our event after Carol suggested their home with Danny's 'museum' being the best backdrop, offering a nice setting. The food was catered by Robin Lewis, who also does the summer picnic. The cake was from Giant Food, with a picture of the late Don & Faith Brown's Ford Model T "Flivver." Don was instrumental in starting the club.

The weather was good during set-up, with no rain forecasted, but between set-up and the party's start time, there was a sudden cloudburst. Danny and Charlotte went into speed-protect mode, getting the cake, photos, and all essentials sheltered. Then, Charlotte pulled out her hair dryer and Danny grabbed the leaf blower. Darlene, Jim, Carol, and Neil arrived back as soon as possible and joined in trying to dry and replace things as needed. Danny had a great idea to use the leaf blower to blow the water off the tablecloths. Then, the tables, chairs, candy dishes, candy, centerpieces, décor, and more were all hand dried. Neil put the valuable lottery tickets into his bus for additional drying. And, with everyone's help, they were able to get most items back in place!

People started arriving with a great overall turn-out. The rain held off long enough for them to socialize a bit and to eat. There were a few drizzles here and there, but everyone still enjoyed their meal, albeit with an eye to the sky. Everyone enjoyed their time browsing Danny's museum, with its jukebox playing while they enjoyed seeing the many cars, gas pumps, signs, and other automobile memorabilia.

There were a few historical questions asked, contributed by members, for a chance at a prize. There were other activities offering chances for more prizes, including table fly fans, beautiful mums, lottery tickets, fall leaf truck décor, picture contributed by Andy and Agnes, and a vintage vehicle trinket box. We know of a couple lottery ticket winners, Ned and Carol each won \$15. We would love to hear from any other winners!

Ned held a brief meeting to tend to necessary business matters while members stood in Danny's museum to keep dry.

Thanks to Danny and Charlotte for hosting the event. Carol, Darlene, and Charlotte met for months to plan. Invitations and calls were written, sent, and made to dozens of inactive and past members. Darlene was the driving force for researching and searching out old members by going through old rosters, photo albums, etc. Thanks to Faith & Donna Glime for keeping all the scrapbooks in shape.

THE PRESIDENT'S MESSAGE

Dear Members:

Summer is over! We are now following the schedule we adopted last spring-alternating between Lunch Bunch and General Membership Meetings each month. October is a Lunch Bunch month and we went to Spaghetti House on Wednesday, October 15th. In November we will have a General Membership Meeting at the Elks in Easton on November 19th.

The 40th Anniversary Celebration was a success. A big THANK YOU to Carol Grant, Darlene Newcomb, and Charlotte & Danny Morris for planning and preparing the event. The celebration was well attended and went off well despite the threatening weather. I enjoyed the Nostalgia Quiz, Old Photo Albums and reminiscing about past club activities and members. I also enjoyed chatting with some old members that haven't participated in club activities for years.

We did a little business at the event. Tom Wilson was voted in as a new member, the first we have had in quite a while. Danny Morris introduced the 2026 slate of officers and directors. They are: Pres: Ed Nabb, VP: Carol Grant, Sec: Charlotte Morris; Tres: Betty Nabb, and Directors: Neil Grant, Craig Duerling and Danny Morris.

This issue has plenty of pictures of the celebration- I hope you enjoy them.

We have at least three items of business for the November General Membership Meeting. The club needs to vote in the new Officers and Directors. Also, the Board has recommended that we increase the dues for next year to \$15 single and \$20 per couple. The membership needs to approve the increase. Lastly, the club needs to decide if we are doing a match of donations at the Christmas Dinner and who should receive the donations. The meeting is Wednesday, November 19 at the Elks in Easton, lunch at noon, meeting at 1:00 PM.

Please remember to send in your AACA dues and the Bay Country Region dues once they are set.

The last event for the year is the Christmas Dinner, set for Saturday, December 13 at the Olive Garden in Easton, from 2 to 4 PM. Diann has made the reservation, and Carol Grant is working on decorations and entertainment.

I hope to see everyone at the November General Membership Meeting, and the Christmas Dinner.

Sincerely,
Ed Nabb, Jr., Pres.

Thanks to Lou Doll & Jean Brown for rosters & phone numbers trying to encourage older members to come. The tables & chairs were from Troy Plutschak, a Preston native. Thanks to Lou Doll, Jean Brown & Andy Wilhelm for information on older members. Ken was able to add some e-mail addresses to his list. Also, Andy had suggested we try & get pictures on the computer screen. Craig & Ken did a fabulous job getting pictures together and displayed them on the computer monitor. We saw many people standing and looking at the looping photos as well as those in the albums. There seemed to be quite a bit of reminiscing happening. We hope everyone had time to view them and enjoy seeing their old friends from our club's previous years. We would also like to thank Ken who took precious photos of this event, saving our new memories for years to come.
